Forecast For Wales
Issued by Met Office Exeter
at 1600 on Friday 06 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy rain and showers continue, thundery at times.

This Evening and Tonight:
Sunny spells and a scattering of showers this evening, with the showers possibly heavy in places. A band of heavy, possibly thundery rain will gradually spread east during the early hours. Gusty winds along the coast. Minimum temperature 10 deg C (50 deg F).

Saturday:
Heavy rain covering the whole country in the morning. Sunny spells with heavy slow-moving and potentially thundery showers in the afternoon and night. Higher risk of thunder in the north. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
Showers continue with more sunny spells on Sunday, compared to previous days. Showers begin to fade into Monday and Tuesday giving way to further sunny spells. Becoming less windy.
